

St. Louis Estate Planning Attorney Named FIVE STAR Wealth Manager

St. Louis, Missouri, estate planning attorney, Steven Spewak, is named as a FIVE STAR Wealth Manager in the March, 2011, issue of St. Louis Magazine. This represents the third year in the last four years that Spewak has been selected by the publication following a survey of high net worth St. Louis area residents, magazine subscribers and financial professionals.

St. Louis, MO ([PRWEB](#)) April 22, 2011 – With more than 11,100 wealth managers in the St. Louis area, the choice of the right professional can be among the most difficult of decisions for an individual to make.

“That is why selection as a FIVE STAR wealth manager is particularly gratifying. It is independent recognition from our clients and other financial professionals of their trust and confidence in us and the integrity with which we operate,” says Steven Spewak, principal attorney at Estate Plan Strategies, LLC, a St. Louis law firm concentrating its practice in estate planning.

For the fourth consecutive year, St. Louis Magazine formed a partnership with Crescendo Business Services, an independent research firm, to identify which wealth managers successfully satisfied key client satisfaction criteria and scored highest in overall client satisfaction.

Crescendo surveyed more than 65,000 high net worth St. Louis area households and more than 7,400 financial services professionals within the St. Louis area. Survey recipients were asked to evaluate only wealth managers with whom they had personal experience and evaluate them based on criteria of customer service, integrity, knowledge/expertise, communication, value for fee charged, meeting of financial objectives, post sale service, quality of recommendations and overall satisfaction.

The resulting list of 2011 FIVE STAR Wealth Managers is an elite group, representing less than 5 percent of the wealth managers in the St. Louis area.

Spewak and Estate Plan Strategies, LLC have developed a unique life long client relationship model to provide clients with peace of mind knowing what they work a lifetime to accumulate won't be lost to the government and their wishes will be implemented.

Steven Spewak has practiced as an estate planning lawyer in the metropolitan St. Louis, Missouri, area for more than 25 years.
