

## **Estate Plan Strategies, LLC Recognized as BEST IN VALUE**

*Estate Plan Strategies, LLC, a leading provider of estate planning legal services in the metropolitan St. Louis, Missouri, area is pleased to announce its selection as a Best in Value business in the October, 2014, edition of the St. Louis Small Business Monthly.*

St. Louis, MO ([PRWEB](#)) January 31, 2015 -- Estate Plan Strategies, LLC has provided quality estate planning legal services in the greater St. Louis area for many years, distinguishing itself from other providers of these services. So it comes as no surprise that the St. Louis Small Business Monthly has now recognized the firm as a business with the best value in St. Louis.

"This is not a recognition for which we applied. Instead, it was a result of voting by readers, including our clients, of the publication. That is why being selected as a Best in Value business in St. Louis is such an honor", says Steven Spewak, principal estate planning attorney at Estate Plan Strategies, LLC.

Spewak and Estate Plan Strategies, LLC have developed a unique practice model known as The Legacy Protection Process™. "Through The Legacy Protection Process™, we are able to provide significant processes and services that enhance value to our clients that that other law firms simply do not provide. The result is that our clients are confident and secure that they, their loved ones and their legacies are protected", says Spewak.

Steven Spewak has practiced as an estate planning lawyer in the metropolitan St. Louis, Missouri, area for more than 25 years. He speaks frequently before professional and civic groups on estate planning, business succession planning and asset protection. He is a contributing-author to the authoritative book on estate planning, *Love, Money, Control; Reinventing Estate Planning*, published by Quantum Press, and the book, *Estate Planning Strategies*, published by Wealth Builders Press, LLC. He maintains an AV Preeminent peer review rating from Martindale Hubbell.
